Need help choosing a destination?

With 15 locations to choose from, there really is something for everyone among the YFC holidays available in 2019. From working in New Zealand to volunteering in Sri Lanka or Costa Rica, YFC Travel has so much to offer members who want to pack up and get away!

Choose from the following types of trip and send in your application form before 2 November.

Homestays

Stay with host families in a rural location or on a farm and really experience the life in a different part of the world. It's a great way to make friends for life and really get to grips with another culture. You could stay with families in, Austria, Canada, Germany, Norway, USA, Scotland or Northern Ireland.

Working Scholarship: New Zealand

Apply for one of four scholarships through the C Alma Baker Trust Travel Award. Available only to YFC members with agricultural experience, they provide an opportunity to work on a beautiful sheep, beef and dairy farm on the North Island's west coast.

Rural Youth Europe's Seminars

Travel as part of a team of two to Budapest or Switzerland. Take part in Rural Youth Europe's (RYE) spring or autumn seminars, which are great fun, and you'll get to meet people from similar organisations across Europe. Perfect for people who can only take a short time off from work or studies.

Rural Youth Europe's European Rally

The European Rally 2019 is being hosted in England and you could be joining 150 other young farmers from all over Europe for a week of workshops, sightseeing and learning about other European cultures.

Volunteering – Sri Lanka and Costa Rica

You could be part of a team who learns about agroecology techniques and works on a variety of farming, conservation and reforestation activities at the Barra Honda National Park in Costa Rica. Or you could choose to create a community garden for a care centre in Sri Lanka. As well as maintaining the garden your group will also help children at the centre learn the alphabet, do arts and crafts and play sports.
